DA FILES CHARGES IN SUSPECTED MOLESTER CASE

SAN BERNARDINO, Calif. – Today, the San Bernardino County District Attorney's Office filed felony charges against Terence Giberson, 52, of Redlands, in connection with the suspected molestation of a 4-year-old girl that took place in a Redlands apartment complex on August 9, 2011.

Giberson was charged with two counts PC 288.7(b) Oral Copulation/Sexual Penetration with a Child Under 10, two counts of PC 288(b) Forcible Lewd Act Upon a Child, and one count PC 209(b)(1) Kidnapping to Commit Another Crime.

If convicted of all charges, Giberson faces a possible three life terms in state prison. Giberson is scheduled to be arraigned today at 1:00 p.m. via video court in San Bernardino.

"Our children are our most vulnerable victims, and what happened in the local community of Redlands on Tuesday will not be tolerated," said District Attorney Mike Ramos. "It has always been the policy of this office that we will hold those responsible for any criminal conduct accountable for their actions, and this case is no different."
